"Quaker Research"

Members of the Religious Society of Friends (Quakers) were well represented among the early settlers in Warren County. Their meeting house in Waynesville was established in the 10th month of 1803 and was followed by other meeting houses in Caesars Creek, Harveysburg, Roachester, Springboro and Turtlecreek Twp along with many other places throughout southwest Ohio. John Fitzgerald, of Leesburg, Ohio, will give a presentation on the Quaker migration to Southwest Ohio. He will include a discussion of the Virginia Military District formed from the lands east of the Little Miami River and the relations between the early pioneers and the native Americans. Following the presentation, Mr. Fitzgerald will have a book signing for his book, "A Peaceable Pilgrimage".

About the Speaker

Rev. John Fitzgerald has served as Recorded (Ordained) Friends Minister in Oregon, Indiana, New York and Ohio for 30 years including 22 years as the Pastor at the Friends (Quaker) church in Leesburg, Ohio. He is the author of a number of books and articles including the book *A Peaceable Pilgrimage: Quakers Migration and the Creation of Leesburg, Ohio, Highland County, and Southwestern Ohio, 1775-1820* published in 2002.
